

## “Thinking Wisely About Money”

Luke 16:1-15

---

---

### Four Biblical Principles Regarding Money

1. **Think** strategically about your money.
2. Make eternal **friends** with your money.
3. Be **faithful** with the money God has entrusted to you.
4. **Love** God, not money.

Your responsibility by God's enabling is to consistently apply the divine principles and truth you've heard (Phil. 2:12-20, 1 Tim. 4:7-9, James 1:22-27). As you meditate on this message, ask yourself:

- How does God want my beliefs/actions to change?
- How can I accomplish this change?
- What is the first step toward bringing about this change?
